

COMMONWEALTH OF PENNSYLVANIA
OFFICE OF THE GOVERNOR
HARRISBURG

THE GOVERNOR

GREETINGS:

It is my pleasure to join with the American Radio Relay League (ARRL) and amateur radio operators across the commonwealth to support June 2017 as *Amateur Radio Month*.

Since the invention of radio, millions of listeners have joined together in a culture created by music and storytelling that has united our nation together in times of turmoil and peace. For over a century, ARRL has diligently provided the commonwealth with public service announcements, news, and family entertainment. Amateur radio is both a hobby and service to the community. I applaud all the men and women who graciously volunteer their time and talents to benefit their communities. It is my hope that amateur radio operators will continue to enrich the lives of our citizens and will continue to maintain a strong presence in the commonwealth for years to come.

As Governor, and on behalf of all the citizens of the Commonwealth of Pennsylvania, I am pleased to recognize June 2017 as *Amateur Radio Month*. Please accept my best wishes for continued success.
